Todd, I'm very surprized that we have not received your response regarding payment.

Will you be sending daily wire deposits that you had offered or will you be closing this contract within the next few days?

We're getting close to midweek again and still don't know when you plan to pick up.
 We can't continue without communication.
 Let's wrap this up.
 Need to hear from you today.

Kristy this was the Canada wire for \$50000.

I received the below notification yesterday but still have not received the wire. Normally, we get our wires before noon EST.

I noticed that you have used a different bank from the previously sent wires. Perhaps the bank has made a mistake on our wire info.

Can you check with them and ask to obtain a proper bank wire confirmation which indicates all the particulars including wire conf number so that it can be tracked?

Thanks.

Are you sending another wire to be applied as additional deposit today? You had said that we would be getting \$100K yesterday but the below notification states that only \$50K was sent.

Will you be sending daily wire deposits that you had offered or will you be closing this contract within the next few days?

Thank you Willy,

I'm being told that the funding is coming but that I'm not 100% able to guarantee a wire for \$125K this week. I believe that Todd had some money wired today but I might need extend the timeline.

Hi Willy,

I know and struggle with it as well. I'm told that it's a matter of being consistent across the board with any guaranty. They won't consider any changes because of this objective to not customize or deviate from a standard previously approved document.

I hope that after reading it again that we can move forward.

That's surprising.

Which clause of the guarantee are they objecting to?

It seemed pretty straight forward to me.

Hello Willy,

I hope that this isn't a deal breaker but I'm not being given approval for any alterations to the Guaranty. The attorneys and Board are saying that our only option is to accept the attached as is. I'm sorry that I couldn't help with the changes.

If you are willing to move forward with the attached in it's current form I will continue to work to get approval on the Amendment.

Subject: agreement amendment

The agreement amendment is fine but for some reason the attorney repeated only the boiler plate terms but left out some other terms.

Just to be clear we have simplified / modified it so that all is clear.

In addition, Your version had final payment date as July 31/18 but previously you had requested it to be Aug. 15/18. So we have inserted that change.

The amendment now states the new payment terms and that you will be able to pick up the machines once the 1st payment is received.

All other terms and conditions remain the same as original agreement.

Please sign the attached agreement and return to me today along with the guarantee.

This should finally bring your pick up of the machines to a close.
